Career History

Blue Zoo - Editor & Compositing Artist
(Sep '22 - present)

Predominantly working as a Compositing Artist on Supertato series 1 for BBC and Tencent. I was involved in the development of the show from first pitch in early '22 to final episode delivery in April '23.

Plug-in Media - Production Assistant
(Jan '19 - Sep '22)

Providing technical, administrative and creative support to a busy animation and games studio. In my time at Plug-in Media, I earned credits as an Editor, Project Manager and Writer.

Back2Back - Production Assistant
(May '15 - Aug '15)

Assisting factual TV development and providing admin support to post-production departments.

Education

University of Edinburgh
BA (Hons) Film & TV - First Class
(2015 - 2019)
